# The Chord Melody Book for Ukulele

by Guido Heistek

Chord Melody is the art of playing chords and melody at the same time. It is a solo ukulele technique that allows you to play beautiful and complete song arrangements on your own. This book will show you how to do it.

Two versions are provided of each arrangement in the book: one sparse and beginner-friendly and another more technically challenging for the more advanced player. Each arrangement works equally well on high-G or low-G instruments. Links to online video demos and detailed performance notes are provided. The flexible and innovative layout also features the chords, lyrics and melody for each song. This enables you to strum and sing the song or pick the melody on its own before you embark on learning the chord melody arrangement. Everything you need for your solo ukulele adventure!

## The Songs:

1. Abide With Me
2. After You've Gone
3. Cielito Lindo
4. Danny Boy
5. My Buddy
6. Peg o' My Heart
7. St. James Infirmary
8. Sleeping Beauty Waltz
9. When I Lost You
10. You Made Me Love You

*A solo ukulele specialist, Guido Heistek has performed and taught alongside some of North America's top musicians. He makes his home in Vancouver, Canada.*
